If you have experienced the loss of a loved one and are looking for pastoral care during this difficult time and to have a pastor of United Lutheran Church preside at funeral or memorial service, we encourage you to contact the church at your earliest opportunity to let the pastor know. The death of a loved one is often times unpredictable and the grief can be overwhelming and please know that the pastor is here to help you through this difficult life transition. Once the pastor has been informed they will contact you directly to set up a time to meet. If you have not yet contacted a funeral home, please do so, as they too can help you in this time of need.

When planning for the funeral some basic information will be needed by the pastor to assist in making the service as personal as possible. We encourage you to fill out this form as you think about a service and talk with family and friends and bring it with you when you meet with the pastor. Don't worry if you do not know any hymns or readings, the pastor will help you in your selections.

While funerals typically take precedence over other church activities, please understand that there may be times when the pastor is not available or the building usage is not available at the time and date you have listed. We do our best to accommodate your needs. Please also consider the available times and dates with the funeral home of your choosing. Before submitting public obituaries, please check that the times and dates work for both the funeral home and church. United Lutheran Church is able to make room usage available for small groups looking to have a meal after the service, but food service, setup, and clean up is the responsibility of the family. We do not have the resources to provide meals, we encourage you to find a caterer or look at a restaurant that has space.
